Hydraulic presses made to customer specifications

800 Tonn welding press for oil and gas pipes in automatic.
Welding pipes made of stainless steel / duplex diameter 168 / 1250mm and length up to 13 meters

400 Tonn press for molding composite materials
Plan Size 3000 * 2000mm
Planarity of the plane in machining 0.05mm

Forging Press 2000 Tons
Plan Size 2000 * 2000mm

Occasion totally reconditioned used presses

Press 260 Tonn

Work plan 2700 x 1500 mm
Distance between floors 1700 mm
Stroke mobile table 1000 mm

Press 500 Tonn

Work plan 1300 x 1600 mm
Distance between floors 1000 mm
Stroke mobile table 700 mm

Press 1500 Tonn

Work plan 1100 x 1235 mm
Distance between floors 1400 mm
Stroke mobile table 700 mm

Press 300 Tonn

Work plan 2500 x 1000 mm
Distance between floors 1000 mm
Stroke mobile table 500 mm
